2010 - 2011 ROTARY INTERNATIONAL THEME

### Building Communities, Bridging Continents

“I hope you agree that these four words aptly reflect who we are, and what we do, as Rotarians. We are a unique and a premier organization — certainly one of the best in the world. We build the spirit and resources of our local communities in an important way, and we are the best in the world at linking people of goodwill around the globe and then gaining their cooperation and support to make the world a much better place to live and work.”

*Ray Klinginsmith, 2010-11 Rotary International President.*
